(a) what is the existing machinery, if any, to check purity and quality of mineral water marketed by various distilled water companies in the country;

(b) if answer to part (a) above be in negative, whether Government would consider the desirability of laying purity standards for distilled water marketed by the companies, in the interest of public health; and

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI N.T. SHANMUGAM): (a) The standards of mineral water have been laid down under PFA Rules, 1955. The State/U.T. Governments are checking the purity and quality of mineral water. Further, a draft Notification has also been issued recently proposing to make certification by Bureau of Indian Standards mandatory for manufacture of mineral water.

(b) and (c) Do not arise.

(b) if so, the names and addresses of employees who have been offered general pool accommodation but have not vacated CGHS pool quarters, so far;

(c) the names/designation, and date of priority of such occupants against whom administrative active/eviction proceedings were initiated under the law of land; and
